R.O.C. No. 863 A/28

Station Madras, *Dated the* 29-9-1928 192

From (Name) R G Grieve Esquire, M.A., F.R.G.S

(Designation) Offg. Director of Public Instruction

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

The Principal Government College, Mangalore, requests that the present scale of pay of the Malayalam Pandit viz. Rs. 40-2-50 may be raised to Rs. 50-3-65 on the ground that a similar scale has been sanctioned for the Senior Sanskrit and Kanarese Pandits in the college.

2. The question is not new. It was mooted in the year 1921 and though the Director recommended in his letter R C No. 1935 dated 7-1-21 that the Malayalam Pandit who was then drawing Rs. 30 might be allowed the old scale of pay viz Rs. 40-2/2-50 admissible for Senior ~~Pnaidits~~ Pandits in second Grade Colleges, yet, Government deferred consideration of the question until orders were passed on the general revision of pay of non-Gazetted establishments Vide G O No. 448 H. E dated 23-3-21. Proposals in regard to the matter were submitted to Government in the

misc. 800 3.7.22 (K)

letter to Govt R.O.C.No. 4033 dated 7-8-21 but presumably under a misapprehension, the pay of the Malayalam Pandit was included in the scale of Rs. 40-2-50. For the above reason and also for the reason that as against 11 students in 1921 reading Malayalam in the Intermediate classes, there are now 26 students and that Malayalam classes are likely to become ~~more~~ increasingly popular as a result of the introduction of the Compulsory second language for the Intermediate I recommend that the pay of the Malayalam Pandit in the Managlore College may be raised to Rs. 50-3-65 with effect from 1-7-29. M

3. The proposal involves an extra cost of Rs. 32 in 1929-30 the ultimate extra expenditure being Rs. 160.

Minimum in the new scale minus pay that will be drawn in 1929-30 in the existing scale. Rs. 50--46
4 x 8 months from July 1929 = ?
Average pay of the proposed -- that of the present scale = Rs. 60--46 and 2/3 = 13 1/3 ~~and 1/3~~ x 12 months
= Rs. 160.

4. I am including the scheme in Part II of the Budget Estimate for next year.

I have the honour to be,
Sir,
Your most obedient servant,

M. Mandell
for Director of Public Instruction

Subject : - Revision of the pay of the Malayalam Pandi in the Government College, Mangalore.

The post of Malayalam Pandit in the Govt. College, Mangalore, was created in 1917 on a temporary basis. The D.P.I. then recommended a pay of Rs 40 for the Pandit, that being the minimum of the scale of pay (Rs 40-2/2-50) of the other Pandits (Sanskrit and Kanarese) in the college. The Government, However, sanctioned a pay of only Rs 30/, the minimum in the scale of pay (Rs 50-2/2-40) for the lowest grade of pandits. In 1921, the Director recommended that the post might be retained permanently and that the pay of the post might be fixed at Rs 40 -2/2 -50 on the analogy of the pay of Pandits in second grade colleges. The Government sanctioned the permanent retention of the post, but deferred passing orders on the question of revising the pay of the Pandit pending final orders on the question of the revision of pay of non-gazetted services.

2. The Reforms Commissioner recommended a scale of pay of Rs 50-3-65 for Pandits in second grade colleges that scale representing very nearly the minimum and maximum pay (including temporary addition to pay) then drawn by the Pandits in such colleges. In the proposition statement submitted by the D.P.I. for the revision of the pay of non-gazetted establishments, the pay of the Malayalam Pandit was entered as Rs 40-2-50, under the mistaken impression that he was only an assistant Pandit working in the High School department and that there was another Chief Malayalam Pandit for the College department.

3. The Director now states that the above scale was proposed under a misapprehension and that the work of the Pandit has increased since 1921 and recommends that the pay of the Pandit may be fixed at Rs 50-3-65

from 1-7-1929, this being the scale of pay of the Sanskrit and Kanarese Pandits in the College. The Director's proposal may be accepted and the scheme placed before the Finance Committee with the concurrence of the Finance department.

pay of the Malayalam Pandit was not fixed at Rs 50-3-65 p.m. at the time of general revision in 1921, under a misapprehension (on the part of the D.P.I's office). In the circumstances now explained by the D.P.I. the proposal to increase with effect from 1-7-29 the pay of the Pandit from Rs 40-2-50 to Rs 50-3-65 p.m. may be accepted. The other Pandits of the College viz. Kanarese and Sanskrit Pandits are getting each Rs 50-3-65 p.m.

[⊗ This is the scale of pay fixed for pandits doing duty in Intermediate classes. The Malayalam Pandit does duty in the Intermediate classes and so is eligible for this pay. Till now this scale of pay has not been admitted to him owing to the D.P.I. not having moved the Govt.]

3 As the extra expenditure involved viz. Rs 160 per annum is not appreciable, Law & Edn may be informed that the proposal need not be placed before the Finance Committee with reference to ⊗ para 4 (a) (iii) of Office order No. 6 d 25.1.26 (Fin.).
